## South East Bus Festival Special Edition

The annual South East Bus Festival will take place at the Kent Showground this Saturday 28 March. With well over one hundred entries this year, the showground will be a hive of both vintage and modern buses. As in previous years, the event brings together a number of buses & coaches of all ages from across the South East and beyond. The bus festival will run alongside Kent Showground's Heritage Transport Show with over 400 cars, commercials, tractors and motorbikes also in attendance, ensuring a great day out for people with interests in all types of motor vehicles. There will be a free bus service around the showground site & lots of displays and stands in the exhibition hall.

This year South East Coachworks will be exhibiting a number of client vehicles including a Routemaster, Olympian & an AEC Regent...

We will also have on display our Routemaster fibreglass seat backs & bus coves which will be available to order on the day. In the exhibition hall, a brilliant example of the unique Harrington Coach will also be on display, which SEC carefully restored over several years. The end result is well worth the wait, so don't miss out on this rare opportunity to see it in the flesh! Of course there will be several members of South East Coachworks staff present on the day, who will be more than happy to speak to you about our work or answer any questions, so please come over to our stand to have a chat! In addition Jamie will be at the show with the SEC Signworks van, so please see him if you have any requirements for signage, display or vehicle graphics.

To find out more about the event or to view the list of entries visit the South East Bus Festival website <http://www.arrivabus.co.uk/south-east-bus-festival> or like the South East Bus Festival Facebook page
